Pursuant to Article IV, Section 14 of the Constitution of Texas, I hereby veto House Bill 2186 because of the following objections:

House Bill 2186 gives Hays County essentially the same rights of veto power as Comal County sought and received notwithstanding the objections of the governor to veto proclamations of the Parks and Wildlife Commission. As stated in my objections to the Comal County bill I feel we should have a uniform wildlife regulation throughout the state. To allow counties to opt in and out and take certain provisions and not others destroys uniformity. Parks and Wildlife Commission has biologists and game management specialists that county commissioners do not have. Therefore, I veto House Bill 2186.

Respectfully,

  
William P. Clements, Jr.
